

## **Piccadilly Ski Club rules and cancellation policies:**

- 1) You **MUST be 21** years of age or older to be a member of the Piccadilly Ski Club and **MUST** be a member for upcoming season to sign up for a trip. You will have to furnish proof of membership at the time you sign up.
- 2) Payments must be made with a check or money order only. Piccadilly Ski Club does not accept cash payments or credit cards. Last minute sign-ups may require a cashier's check or money order. All payments should be made **payable to "Piccadilly Ski Club"**. *(Please note the trip in the memo section of your check.)*
- 3) **To sign up for a trip:**

**Trips by Plane or Midwest Trips by Bus:** a minimum deposit, as indicated in the payment schedule portion of the trip description, is required. The reservation is not guaranteed until you pay the entire cost of the trip. Each trip has a specific payment schedule and cancellation policy with a minimum **\$25.00 cancellation fee**. If you cancel your reservation on a trip, you are responsible for any costs the club incurs as a result. The amount may vary depending upon when you cancel. See your trip leader for details.
- 4) Transfers from one trip to another shall be considered a cancellation and are subject to the applicable cancellation charges, as stated in 3.
- 5) It is the **club member's responsibility to notify the trip leader or trip chairperson of their intent to cancel a reservation on any trip, as soon as possible.**
- 6) After each payment date, the trip leader or trip chairperson shall contact those club members not paid to date, requesting either the balance due or notification of cancellation.
- 7) If a club member has not paid according to the payment schedule and the trip leader or trip chairperson cannot contact the club member after a reasonable number of attempts, the trip leader and chairperson may elect to assume the intent of that member is to cancel, and substitute someone from the waiting list for that trip in the unpaid member's place. This situation will be treated the same as a cancellation of the reservation and will be subject to the same penalties. See Item 8.
- 8) Any club member canceling a reservation on a trip is responsible for the amount of any costs the club has incurred on their behalf, as of member's notice of cancellation. Any costs recovered by the club will be refunded to the member. However, the cancellation fee still applies.
- 9) If a club member contends that an emergency occurred and was the cause for cancellation from the trip, the club member may petition the Executive Board for a refund, less any costs not recovered by the club, but not less than the cancellation fee. A written petition shall be submitted to the club secretary no later than one week after the trip in question. The Executive Board shall schedule the date on which to consider the petition.
- 10) If a club member submits a check which is returned for insufficient funds or any other reason, the club member shall be responsible for a \$25.00 charge or the amount the club's bank charges for the returned check, whichever is greater. If a check is returned twice, the club member must make payment by certified check or money order.
- 11) The trip chairpersons shall develop and publish a trip payment schedule listed within each trip description at the beginning of each season.
- 12) Any trip may have additional charges (such as, but not limited to, fuel surcharges, airport fees, taxes, fluctuating exchange rates, etc.) that are not known at the time of trip signups, and therefore cannot be figured into the pricing of the trip. By signing up for any trip you agree to pay your portion of such additional charges that are billed to the club. The club will not bill you more than the club is billed for these charges, should they arise. *(Although we are a not-for-profit club, we are not a for-bankruptcy club!)*
- 13) Two persons per sleeping area. No guests are allowed in the rooms.
- 14) Anything illegal in the eyes of the law is illegal in the eyes of Piccadilly.
