PSC returns to a favorite area. Boyne Highlands sports 552' vertical drop, 140" annual snow, 8 chairlifts, tubing, full service spa, food & pubs. Boyne Mountain, begun in 1947, is the first of what are now 8 North American Boyne Resorts, including Big Sky. Expanded in 2005, non-skiers will enjoy multiple food & drink options, among them Stein Erikson's, plus horse drawn sleigh rides, full service day spa, skating, tubing, snowshoeing, horseback riding, and waterpark. This Bavarian-style resort has 12 lifts, serving 60 trails.

We lodge at Americinn by Wyndham in Petoskey. Amenities include: indoor heated pool, hot tub, in-room frig, micro, and breakfast w/eggs & waffles. Just three miles away are Odawa Casino - 1,000 slots, table games, live entertainment; and the picturesque Gaslight Shopping District - 170 shops & restaurants, Petoskey Farms & Vineyard Tasting Room and Crooked Tree Arts Center, featuring four galleries and a culinary arts kitchen.

Bus leaves Suburbanite Bowl, 201 W Ogden Avenue, Westmont, at 6:30pm on Friday night, and returns Sunday night
