

One Day “Mystery” Trip

Where is the best snow around?

Come find out! It’s a mystery why anyone would pass up this deal! For \$70, drive yourself and family members to the PSC party and get carried away to the best snow around – within 1-1/2 hour drive. (Previous mystery destinations have included classic Midwest destinations like: Devil’s Head, Sundown Mt, Chestnut Mt, Bittersweet, and Tyrol Basin.)

Ski all day, stop for lunch and drive yourself back home. It’s a bonanza of an opportunity to get your ski legs ready for the season, or for anyone thinking about joining our club. What better way to experience the true family feel of our group! This trip includes your lift ticket, 1 day guest membership, lunch voucher, and more ski fun than the law allows!
