

Pine Mountain, MI

80 Years of Midwest Fun!

Come see why we return to one of our favorite Midwest destinations! In December 1939, Fred Pabst, of the Pabst Brewing family, while looking for places to encourage people to ski, and promote the sale of his lift product, Ski Tows, Inc. cleared and opened Pine Mountain.

Pine Mountain has entertained people from around the world ever since, and has been an innovator in the region, being the first with 100% snowmaking, grooming, and aerial lifts. The next owners, the Trepp family, also led Pine Mountain to take the lead in the

region as one of the only ski-in/ski-out resorts in the UP. This distinction remains to this day.

We are staying in the newly remodeled base lodge, so you'll have direct access to the ski hill, and the facilities at the resort – pool, hot tub, restaurant, and of course, the bar. This trip includes: deluxe motor coach transportation (PSC will cap participants below normal capacity and follow public safety guidelines), 2 nights lodging, a 2-day lift ticket, 2 breakfasts, and Saturday night dinner. The resort also offers live music Saturday night. Pine Mountain, a perennial favorite.... Come spend the weekend with Piccadilly!

Dates: 2/19/21 - 2/21/21
2-day lift ticket included

Cost: \$350 (until 10/1/20)
\$380 (after 10/1/20)
Non-Skier Deduct \$40
