

# CMSC Mammoth Mountain, CA

... lives up to its name!

We can't get enough of this amazing mountain with "mammoth" amounts of snow. Mammoth Mountain Ski Resort boasts the highest summit elevation in the state of California at 11,053 ft. It also averages an impressive 400 inches of annual snowfall for one of the longest ski seasons in the state that can sometimes last well into the summer. Located in the southwest

corner of the volcanic Long Valley Caldera on the eastern edge of California's Sierra Nevada Mountain Range, Mammoth Mountain lives up to its name by offering more than 3,500 skiable acres and a 3,100 ft. vertical drop. Base altitude is 7,953 ft, trails are rated 25% Green, 40% Blue and 35% Black.

All CMSC trips include a myriad of funtivities – parties, welcome receptions, dancing, pub crawls, dinner banquets, après ski mingling and more.

Our accommodations, Mammoth Mountain Inn Hotel (2 queens), enjoy a premier location - walking distance to the base of the Panorama Gondola, Broadway Express, Thunder Bound Express, and the Discovery Express lift - all located in the Main Lodge area. Not only do you have great ski access, but the onsite amenities to match. Guests enjoy a heated outdoor pool, an outdoor hot tub, multiple indoor hot tubs, fitness room, business center, game room, multiple onsite restaurants and the Dry Creek Bar and sundeck. Come see why people return year over year to Mammoth Mountain.
