

Steamboat, Colorado

“Ski Town USA”

This is your second chance to join us at “Ski Town USA”. This year there is a limited number of spots available for a 5-day trip (Saturday-Thursday) in addition to our traditional 7-day trip. Steamboat is located near the ultimate Western town of Steamboat Springs, CO. It is a world-class ski resort that offers an all-round vacation experience.

One of the largest ski resorts in Colorado, Steamboat coined the phrase Champagne Powder® to describe the light fluffy snow that falls there in abundance. The resort sits at a base of 6,900 ft, with 3,668 ft of vertical, 2,965 acres, and 165 named trails. Trails are

ranked 14% beginner, 42% intermediate, 44% advanced. While truly a paradise for intermediates, Steamboat boasts fun gladed tree-skiing for the more adventuresome.

We have the luxury of flying directly into Hayden from Chicago, followed by a 40-minute shuttle drive into Steamboat, where we will be staying at the ski base, a small town in and of itself. Our accommodations are 2BR/2BA condos at The Lodge, conveniently located just 2 blocks from the Gondola.

After hours, take the free shuttle into the town of Steamboat Springs for night life, shopping, museums and more; or try a dog sled tour, hot air balloon ride, or the natural mineral springs! Bring your cowboy hat to wear on the slopes.

You'll blend right in!
