

Finger Lakes, New York Wine Tour

Travel with fellow Piccadillians to Finger Lakes in Upstate New York. Explore some of the over 100 wineries in one of the most unique, yet least known wine regions. Many are “mom and pop” wineries, literally fermenting the wine in the basement of their homes, and some are much larger. Known for its smaller, more intimate wine tastings, the area produces exceptional, award-winning wines. We will be chauffeured to the wineries in groups and gather to compare notes at the end of each day, including a fine group dining

experience.

There’s more! We have a full day for excursions. Choose among many activities – a boat cruise on Seneca Lake, Watkins Glen International Raceway, Corning Glass Museum, several state parks with beautiful waterfalls, bike rides, sailing charters, kayaking/canoeing, fishing charters for lake trout, off-road Jeep tours, historic building tours, Amish (Mennonite) Farm quilt studio & country store. We fly to Rochester with ground transfers to Fairfield by Marriott (free breakfast), Geneva, NY. Includes chauffeured vehicles to wineries, tasting fees, a group wine dinner.

5/23/22 – 5/28/22
On sale 10/21/21
Deposit: \$350

Cost: \$1390 (\$1440 after 12/16/21)
Trip Leader: Julian Franklin
