

# Snowmass, Colorado

New this year!! The Aspen-Snowmass Resort area lies nestled in the Colorado's Roaring Fork Valley, below the towering twin peaks of the Maroon Bells. Your ski pass will allow you to spread your ski wings at any of Snowmass, Aspen Mountain, Aspen Highlands, or Buttermilk ski areas. Mountain statistics vary significantly by area, but no matter your skiing level from beginner to expert, you will find the right place for you. Enjoy tremendous skiing on long, wide runs at this exclusive resort tucked a 'longshot' from I-70 spring breakers.

We will be staying at luxurious Top of the Village by Hyatt in 2BR/2BA condos. Rated #1 of 27 Specialty Lodging in Snowmass Village by Trip Advisor. These are ski-in/ski-out mountain views, with fireplaces, full service front desk with concierge, outdoor heated pool and hot tub, sauna, fitness room and much more.

If you want a day off from downhill skiing but still want to enjoy the great outdoors, Snowmass Village offers cross-country skiing, with over 60 miles of free Nordic trails. Snowtubing, snowshoeing, snowmobiling, dog sledding, and iceskating are also all nearby. For the more cultural and gastro-centric pursuits, the town of Aspen provides plenty of opportunity for shopping, dining, galleries, music, museums, celebrity watching,
