

CHESTNUT MOUNTAIN, IL

Ski, eat, relax and repeat.

With an impressive array of amenities, comforts, and activities, Chestnut Mountain is a choice Illinois destination since 1959. Located near historic Galena, nestled amongst the scenic bluffs overlooking the majestic Mississippi River, it's the perfect place for a relaxing ski weekend. The lodge houses two restaurants, a bar, and an indoor pool with hot tub area. Skiers can enjoy the thrill of a 475-foot vertical and a 7-acre terrain park called the Farside. Ski equipment rental and lessons are also available.

We are staying at the lodge at the top of Chestnut Mountain. The rooms include a microwave and mini-fridge. Begin your ski experience on your own schedule with ski-in ski-out convenience. Ski, eat, relax and repeat. We will be transported by deluxe motor coach where the party really begins. For those who aren't skiers or for the skiers who want a little more, beautiful Galena is a mere 8 miles away with a multitude of shops, restaurants, and attractions.
