

Snowmass, Colorado

Return to a PSC Favorite!

We return to the Top of the Village luxury: Ski-in/ski-out deluxe condos, with all that Snowmass has to offer!

World renown Snowmass Resort lies below the iconic twin peaks of Maroon Bells in Colorado's Roaring Fork Valley. Snowmass = snowy + massive. Average 80" March base, 3340 acres! Snowmass Village has enough amenities that there is no need to leave it. But our lifts included allow us access to all, so try Aspen Mountain, Aspen Highlands, and Buttermilk areas for even more. From beginner to expert, plenty to enjoy tucked a

'longshot' from I-70 spring breakers.

Each spacious condo has mountain views, a fireplace, balcony or patio, with full service front desk, concierge, outdoor heated pool and hot tubs, sauna, fitness room, and a free shuttle. Did I mention it is ski in/ski out? A Trip Advisor 2024 Travelers' Choice Award winner!

For cultural and gastro-centric pursuits, the town of Aspen has shopping, dining, galleries, nightlife, museums, celebrity watching. Non-ski outdoor activities consider the alpine coaster, snowtubing, naturalist led snowshoe tour, snowmobiling, dog sledding, iceskating, and cross-country skiing.

We fly into Denver and travel by motor coach to Snowmass.
