

CHESTNUT MOUNTAIN, IL Drive Up

A weekend of Fun With Friends

Grab your friends and carpool up to Chestnut Mountain, this nearby gem of a ski hill just 2.5 hours away. Whether you're a seasoned snowboarder or a first-time skier – you'll feel at home on these slopes. Their 475-foot vertical drop weaves 3,500 feet through 19 runs, ranging from bunny hills to black diamonds. Enjoy some great skiing, and/or discover all the activities, shopping and restaurant options in nearby downtown Galena. Chestnut has snowmaking abilities too, so not to worry about enough base.

Piccadilly will be staying slopeside at Chestnut Mountain Resort, where we can sleep in, roll out of bed and leisurely take to the slopes after a hot breakfast.

Included is 2 nights' lodging, 2 days of lifts, and the always present Piccadilly-sized fun.

Let's all meet up informally Friday night at the bar when you get to town!
