

# Piccadilly is going to Bourbon Country!

Yes, you read that right, PSC will be going to the heart of Kentucky Bourbon Country in Louisville next year, to explore the Bourbon Trail and more! This will be a drive yourself down and back trip and we will be staying 4 nights at the Springhill Suites Hotel on Jefferson Street right in downtown Louisville. There are

quite a few distilleries (and breweries) within a convenient short walk from this hotel. This trip also includes a dinner cruise on the Belle of Louisville Riverboat which comes with a buffet dinner, coffee, lemonade and water, and cash bar. We are also including an all-day bus tour to 2 distilleries, a lunch stop (lunch is not included) and a tour of exciting Churchill Downs – home of the legendary Kentucky Derby!

Not enough bourbon? Not to worry – there is an **optional** second all-day bus tour to 2 or 3 more distilleries and a lunch stop (lunch is not included). The cost of this **optional** second bus tour will depend upon how many people wish to go on it.

Too much bourbon?? No worries – the Louisville Slugger Museum and Factory is a short walk from the hotel 😊 and there are plenty of other non-bourbon things to do! The Springhill Suites Hotel includes a full hot American buffet breakfast daily, in-room microwave and mini-fridge, and reduced parking of \$10/car/night.
