*Summer Meeting Schedule: We meet the 1st Thursday of the month in May, June, and July**

From the President:

Ah, the merry month of May and the height of spring blossoms! A fine affair, was the annual Banquet at Chuck's last month - excellent food, fun awards, drinks and dancing. Thank you Sandy L. and the outgoing board for a great evening!

Trips for '25/'26 have been announced, and they look fantastic! Pick one out (or more) and watch for announcements on details, pricing and sale dates. Jackie D. is planning Midwest weekend and pop-ups, too. We have one more trip to go this season, though, as Nancy M leads us to the Kentucky Bourbon Trail May 12th.

With our new constitution approved in March, our membership year now starts June 1. Membership chair, Sue A. will be announcing dues and sign-ups before then. You must be a member to go on an overnight trip.

Are you interested in travel planning? Trip chair Julian F. is looking to teach someone the ropes. See his article and chat him up.

Let's keep the good times rolling! Come to a social event. Have an idea or interest to share? Join the social committee or let Nancy M. know to help make it happen. So far, we have a Pub Crawl on 5/3, a hike on 5/7, a play 5/9 and an architecture tour 5/17.

Our summer meeting schedule shifts to just one meeting a month in May, June and July on the 1st Thursday. However, July's meeting will be July 10th due to the holiday.

Happy Mothers' Day and Memorial Day, a day of remembrance and the unofficial start of summer!

--- Cheers! Terry---

VOLUNTEER OPPORTUNITIES

1. **Help us on our Audit Committee.** Reach out to John Schuurman if you can assist us with our annual audit. jschuurman1125@gmail.com
2. **How do we make the sausage?** Although I enjoy being the Trip Chair for our wonderful club, I won't be doing this forever. Therefore, I am looking for an "understudy" to "see how the sausage is made" or learn how we go about planning the trips for a year. It is not just the ski season, we also run non-ski trips, so this really is a year-round commitment. Do you enjoy helping others have a great time or trip? Do you enjoy sharing your experience with others? Do you want to give back to your community (yes PSC is a community!)? If you have an interest in possibly learning the ropes, please talk to me at a meeting or email me - julianf@att.net.

PSC Ski Stories, Pics & More

A BLAST FROM THE PAST

Hey Piccadilly! Here are some great photos from the past donated by Dar Meller. You can see some include friends who are not active in PSC anymore and a few that are skiing the endless powder in the next life.

There is a classic shot from Halloween (P & C Kempf) and "Gourmet Camping" in the 80s (Bill Richardson, Linda Yirka, Bob & Alice Dodge, Larry Himmelblau, Steve & Beth Woods, Brian O'Mullen, Dar, Bob Arndt and Harry). We also have a great shot of Harry with what's her name. Finally, we have a shot of the Evil King Tut from the classic Batwoman skit (Produced, Directed, and starring Judy Bronger). Can

you guess who that is?
Thanks for the memories. If
you have an old photo, or
ideas, please email me at

Social Recaps, Ski Stories & Photo Gallery

Snowmass Recap - Bluebird to snow globe, Snowmass delivered! We received 20” during the week. 29 Piccadillians traveled to spring ski Aspen-Snowmass. The weather was great. Sunday, was a bluebird sunshine day after 8 inches of snow had fallen. Eager to get out and enjoy, those light on the sunscreen, sported goggle tans and red faces at the evening wine and cheese reception.

Flip to Monday and we were skiing in a Christmas card, which left plenty of fresh on mountain for Tuesday and beyond! We had small après at sunny, warm Base Camp Sunday, and big St. Patrick’s Day après at a dive bar named The Tavern, where we did the Irish proud. Some lifties played traditional Irish music.

By Tuesday we’d mostly oriented to the various terrain of peaks, ridges, and creeks. Elk Camp and Alpine Springs being among favorite intermediate terrain. Some favorite runs include The Big Burn, Gunners, Cascade, Green Cabin, Cowboy Coffee and Naked Lady.

Joe S. and Dave B. had missed the gate off the cirque. Before circling back to it, they decided on the longest combined run from top to bottom. At 5.8 miles with 4,419 ft. vertical, they skied from the top of the Cirque, across High Pass to Elk Camp and over to the base at Two Creeks, 15 mph average, 38.5 mph max, 1:04 duration.

Tuesday après at the dive bar was sparse, but Mike J. texted the band starts at 5:30 for the ski instructors’ party. Band and instructors wore colorful 70s throwback threads.

Après Wednesday was at the swankier Rock Island Oyster Bar and Grill, with happy hour prices for drinks and oysters. We shared appetizers and small plates, including delicious beef bone marrow. Happy hour food and drink specials were available at many places in the Village. We dined out and dined in, preparing meals at our spacious condos, and sometimes ducking in for lunch.

George W., Janice B., and Sue S. took the free Roaring Fork bus to poke around Aspen. Following her ski instructor's advice, Sue and I skied Buttermilk, enjoying wide, gentle runs to ourselves. We pinned two new members, Loren R. and Beata S. at our Thursday pizza party, games and raffle at our comfy Gatehouse. Cheri T. and Cathie D. won the trivia contest. We enjoyed friendly rounds on the shotski.

Whether new or returning to Snowmass, it was a delightful trip with a terrific group. Though we had a Ralph Cramden moment when loading the bus to leave – TWICE the bus rolled on the icy garage bay. Thankfully, the driver was in his seat to hit the brakes. The ride was snowy to the tunnel, then cleared up. A lucky few spotted long horn sheep on the way. – **Terry T**

Annual Banquet Recap - Chuck's Chateau Orleans. The room was packed with a record-breaking number of finely dressed folks (85). Many of us left behind our brightly colored ski attire and helmets for vivid Mardi Gras formals and colorful

masks. Just like on the slopes, it was hard to identify some of the enthusiastic party goers!

Paul Fuka thanked the old board & Terry Turlek installed the new board, Jackie Dudek did a recap of the trips, thanked the trip leaders & awarded certificates for several outstanding members with

memorable trip moments. Once again, thanks to Larry Himmeblau, everyone enjoyed 4 laptops featuring Piccadilly memories from this year and many other years. One of the favorites was the wedding portrait collection of so many of our members that met in the club. Our favorite DJ got us all dancing the night away and I think a great time was had by all.

PS: In order to plan another fun banquet next year, we would appreciate it if everyone would take a few minutes to complete the survey that came to your inbox on Monday 4/21 @ 5pm.

- **Thanks, Sandy, outgoing VP**
